Postcards for Life

“All the brothers and sisters here send you greetings. Greet one another with a holy kiss. I, Paul, write this greeting in my own hand.” I Corinthians 16:20-21

We don't send and receive postcards much anymore. We can take real time pictures and videos and send them to our loved ones anytime we want when we are on vacation. We can post them on Facebook or we can do FaceTime so we can talk with our loved ones as we are experiencing the moment ourselves. I remember spending time at the hotel gift shop finding just the right postcard that showed the picture of where we were so our loved ones could share in the moment. We sent postcards to people that were important to us and that cared about us to let them know we missed them.

This summer we will be looking at the last chapter of each one of Paul's letters in the New Testament. Paul was quite the traveler. He went to all kinds of places, not for rest and relaxation or to get away from it all. Paul traveled to deliver the good news of Jesus and strengthen the churches with the gospel message that God sent his own son to die for us so we could have an eternal and holy relationship with the creator of the universe. Paul didn't have e-mail, texting, or Zoom to communicate instantaneously. He had to write it all down on parchment and then send it by an individual to each church to read. He was writing people that he loved and sharing with them the eternal truths of the gospel so they could live the lives of faith that God wanted them to live. I encourage you to start with Romans and read the last chapter of each one of Paul's letters this summer to see what truths God wants you to hear. It is a great mini devotion for the summer.

This summer, many of us will head out on vacation to spend time with our family and make special memories. I encourage you to take God's word with you and find new places of worship wherever your vacation takes you. Of course, you can catch our services online and we encourage you to do so, but when you worship in new places on vacation, you show your family that worship is important. It will be a memory that will make an impact on your family. We got to experience worship on the beach in Florida, in Yellowstone National Park, with a new church plant south of St. Louis, and a beautiful sanctuary just north of Gulf Shores, Alabama on several of our vacations. Ask God to lead you to a unique and special place of worship. You'll be amazed where he leads you.

My oldest daughter Carrie's birthday is in June. I got to experience my first Father's Day just a few days after she was born in 1992. We'll celebrate Father's Day with a special gift for all of the fathers and a special place to take family pictures with all of our dads and their families. Don't miss church on June 20th as we celebrate Father's Day as a congregation.

May God bless all of you with the power of His Holy Spirit as we strive to show people the love of Christ in a world that needs his grace and mercy so desperately.
Serving Christ Together,

Pastor Russ

The plan is to bring greeters back in the fall and have further discussion on offering procedures later in the year. Senior Recognition Sunday was discussed, and gifts were shared with the group.

New Business:

A discussion regarding the challenges we have making purchases for large orders in conjunction with normal church activity (i.e. Sunday School Material and VBS); Alan Chambers made a movement to increase church credit card limit from \$3,000 to \$10,000. Motion was seconded by Ronnie Kissick. Passed.

Consistory members were sent a video link (<https://www.youtube.com/watch?v=AiXddVsQVF0>) from Carla Clennin after she attended the conference meeting. Members reviewed and discussed the message given by our conference leaders. Each member feels we need to review OCWM offering; to be better informed as to where our church funds are actually spent and ensure it follows the mission of our church. UCC Pilgrim Soup Kitchen

Our June stewardship offering is for Pilgrim Congregational UCC Soup Kitchen. In 1982, this historic church in St. Louis sensed the need to feed the hungry in its neighborhood. Since that time, every Wednesday, between 70-90 men, women, and children have been supplied with a nutritious lunch by the members and friends of Pilgrim Church. Clothing is now available to be picked up during the Wednesday meals. Our offering will be used to buy food that Pilgrim volunteers will serve to the hungry in the name of Jesus Christ. An envelope is attached for your gift. Please make checks payable to **“UCC of California”** and put Soup Kitchen on the memo line.

Women's Guild – May 19, 2021

Pamela Hill, Vice President, called to order the May 19th meeting of the Women's Guild with 13 women present.

Carole Barbour led our Bible Study on miracles of Jesus. Before studying our first miracle we reviewed the disease leprosy—incurable by man, very painful ulcerations with a foul discharge, weakening illness, resulting in death. First miracle studied was Jesus healing the man with leprosy as noted Mark 1:40-45, where the man approached Jesus in or near a rural (non-walled) city and asked Jesus if you are willing you can make me clean. Jesus reached out his hand and touched him saying, "I am willing. Be clean!" Immediately the leprosy left the man and he was cured. The second miracle studied was the healing of the Gentile Centurion's Paralyzed Servant as noted in Matthew 8:5-13. The Centurion had faith that if Jesus would only speak a word his servant would be healed. Jesus was amazed with the man's faith and said, "Go, let it be done for you as you have believed." And his servant was healed at that hour. In closing, the group discussed what makes an occurrence a "miracle". At the June meeting we will be reviewing: 1) healing of paralytic man lowered from roof, 2) healing of man's withered hand on the Sabbath, 3) raising of widow's son from the dead in Nain, and 4) calming of a storm on the sea.

Pamela Hill shared two Thoughts for the Day: First sharing a poem noting that God is always with us and a poem by Pat Boone noting his love (and our love) is with conditions and that only God gives love unconditionally. Mrs. Hill also reminded the group that our Benevolent offering for May would go to Rape and Abuse Crisis Center. And that the church's benevolent offering was Strengthen the Church and the Sunday School benevolent giving was the Healing House. Our offering was taken.

Pamela Hill called to order the business meeting and the following actions were made: approval of minutes from April meeting, approval of financial report, reminder that Committee #1 serves the next Celebration of Life meal, collected over 2,000 Best Choice labels to date, and signed 24 cards for members not able to attend worship. Mrs. Hill noted that no request from the Consistory had been received regarding the Guild and the 3MT effort. It was noted that Linda Schnieders had requested the assistance of Ron Kissick regarding the stability of the recently purchased cart for the new can opener. It was also noted that some of the kits listed in the Festival of Sharing brochure were missing items, but did not involve the kits the Guild regularly assembled. No new correspondence had been received since last meeting. During the sharing of Concerns and Joys, Carla Clennin mentioned that while participating in the Western Association Council Zoom Meeting she had the joy of meeting our Transitional Conference Minister, Rev. Mary Nelson. May birthdays were recognized. Having no further business, meeting was adjourned by Carole Barbour leading us in prayer.

Pamela Hill thanked our hostesses, Mary Lee Brizendine and Katie Schlup for the delicious refreshments.

Respectfully submitted,
Joyce Rohrbach

“The Story”

“*The Story* sweeps you into the unfolding progression of Bible characters and events from Genesis to Revelation. Using the clear, accessible text of the NIV Bible, it allows the stories, poems, and teachings of the Bible to read like a novel. And like any good story, *The Story* is filled with intrigue, drama, conflict, romance, and redemption – and this story’s true!

Taken from the Back Cover of the Adult version of The Story.

“It does not use all the scripture from the Bible, but it includes the major stories of scripture. *The Story* was written to give you an understanding of how ALL of scripture fits together to give us the “Big Story”. *The Story* curriculum was designed for all ages because the materials allow each age group to experience and study the same Bible story in an age-appropriate way.”

Middle School through Adults will view a video that is followed by discussion. The younger classes have awesome posters, beautiful books and activities that are used during the story time.

UCC Brotherhood Minutes – May 24, 2021

Refreshments – The UCC Brotherhood began its meeting at 7:00 p.m. enjoying a light supper and delicious desserts provided by Steven Burger.

Devotion – Pastor Cobb led the group in prayer, followed by singing of an inspirational hymn. Abe Rohrbach then shared a brief devotion about dealing with life's challenges and obstacles. He used the story of Abe Lincoln's life as an example of how persistence, patience and faith in God can help one cope with difficulties and failures as we go through life here on Earth.

Business Meeting – Abe called the meeting to order with approximately fifteen members and guests present. The minutes of the April meeting were read and approved. Under old business, Steven Burger noted that he would have the devotion at the regular July meeting instead of June as originally planned. A motion was approved for the Brotherhood to make a \$500 donation to the Show-Me Christian Youth Home in La Monte, MO. Under new business, the Brotherhood has been asked to provide special music for the July 4 church service. The group agreed to do so and will practice at the June meeting. Dale Ratcliff shared that the program for our June meeting will be an Amish gentleman sharing the story of the Amish people and their history. Meeting was adjourned.

Program – Larry introduced Sarah Walsh, State Representative and Majority Caucus Chairman in the Missouri Legislature to discuss highlights of the recent legislative session. Representative Walsh mentioned several of her priorities that were successful from the session, including additional funding for the Northern Boone County Disaster Relief Team, funding for the new Renken Technical School being built in Southern Boone County, a bill outlawing the use of laser pointers against law enforcement personnel, a bill allowing forensic examiners and crime scene examiners to use flashing lights to assist in reaching crime scenes in a timely manner, as well as a resolution encouraging our federal legislators to keep the Supreme Court at its current size of nine justices.

She then discussed several of the broader issues that were debated during the legislature this session including the gas tax increase, taxes on on-line purchasing, the prescription monitoring program, the 2nd amendment preservation act, and the use of covid vaccine passports for travel, etc.

Respectfully,
Norman Rohrbach, Secretary
