Why We Do What We Do...

“They devoted themselves to the apostles’ teaching and to the fellowship, to the breaking of bread and to prayer.” Acts 2:42

We all get in the habit of doing things certain ways the longer we live. It’s hard to change. We may have learned something from our parents or a friend and before we know it, we’re doing it the same way. We are not sure why we do it that way, but it works. So no need to change. When you get married, a new person comes into your life with a new way of doing things. This might cause some conflict or it might cause you to examine why you do things the way you are doing them. I’ve grown to appreciate Betty’s views and opinions over the years. Many times her suggestions are better than what I was doing. It’s hard sometimes to admit someone else’s way is better but that is part of being humble and understanding as we grow in Christ.

Why do we worship the way we do each Sunday? My Bible didn’t come with a church bulletin from the very first church worship service in the book of Acts. We get some hints from scripture like the above scripture. They focused on teaching God’s Word, fellowshiping together, breaking bread (communion), and prayer in the early church. We see offerings were an important part of worship. We see Barnabas in Acts 4:36-37 sell a field and bring the money to the apostles to be used to help others in the church. In Ephesians 4:16 we see that teaching, reading the Psalms, singing hymns and songs from the Spirit with gratitude in our hearts was important. We see in I Corinthians 11, that the Lord’s Supper was a very important part of regular worship. It’s a time to remember, proclaim Jesus’ death, and to examine our spiritual lives. In February we will look at the various parts of our worship service to see why we do things the way we do them and how Sunday worship helps us each week with our spiritual encouragement.

Hard to believe we are already through the first month of 2022. Sickness continues to dog our community and we all are weary of dealing with everything for two years now. I encourage you to check out Right Now Media at our website and find some video series that will help you with anxiety, worry, and stress. You can register from the website or you can e-mail me and I will send you an e-mail invitation. When you get to their home page, just scroll down and check out all the various subjects and Bible studies. There is a specific section on Mental Health and Recovery. Take advantage of this resource. It's free to all of our members, our guests, military people, and friends of our families.

In January we had seven different families join our church and make it their home. What an exciting way to start the New Year. Many of them are already serving in different ways at the church. That's one key to a growing church, that when people join, they get involved and get connected to others. We are all part of the body of Christ. If you would like to place your church membership with us, just fill out a Connection Card on Sunday and drop it in the offering plate or contact me directly. I'm thankful to see the Holy Spirit working through so many in our church as they invite friends and family to church.

May God bless you this month with his peace, presence, and power.
Serving Christ Together,

Russ

January 10, 2022 – Consistory Meeting Highlights

The California UCC Consistory met for its regular monthly meeting January 10, 2022. Pastor Cobb opened the meeting with prayer.

The minutes of the December 2021 meeting, Treasurer's Report, Financial Secretary's Report, Stewardship Snapshot and Local Benevolence Report were reviewed and approved.

Reports and updates were given by committees and organizations: Evangelism planning a new member luncheon and Sunday in January. Historical-nothing new to report. Memorial-nothing new to report. Building and Grounds- - expecting to replace doors to sanctuary in the next couple of weeks. Septagon giving bid on replacement VCT (tile in foyer). Nothing reported back on the streaming equipment. Elevator safety switch to be looked at, as well as, the elevator guard on the bottom of the door is a trip hazard, will look into additional solutions. Clean Air returns in gym need cleaned. Awaiting on quotes on the boiler, one quote returned at \$40,000 from H&D (10k more than last year). Rehagen has been here 3 times but has not returned a quote yet, they believe they will need to fabricate/piece-together the unit. Worship committee had a really good discussion regarding several aspects. Looking at a safer place for the memorial tree where it can be seen and admired by many, perhaps in upstairs lobby, more to come. Christmas morning the service was well attended. There has been some discussion regarding the tolling of the bell, it should be rung 21 times to signal the start of services. There needs to be a new solution for the bell tables, they are heavy and causing some harm to the altar/choir loft-Alan will look into options. The committee recommends the tolling bell is checked prior to the Maundy Thursday service to ensure everything is working properly. Stewardship committee started Rock Solid Financial Planning workshop in January. Brotherhood and Women's Guild continue with monthly meetings. Sunday school had a good meeting and continues to discuss ways to meet all our members. Youth Group serving the meal for the annual meeting.

New Business:

Annual meeting date set for January 30, 2022. Annual Meeting Format: Annual meeting will be directly after the church service in the sanctuary, please plan to remain seated. Consistory members have been notified of some concern of the format as we are using the sanctuary as a meeting place rather than a place of worship. After discussion, it was decided to keep the current format as it has been advertised heavily but will reconsider for next year.

Floor runners needed for downstairs foyer, Andy Burger will research but purchase will wait until after tile replacement.

The consistory is asking for your help in keeping the walkway across from the coat rack, heading into the gym clear. Please ensure no tables are left up in that area to ensure space for entry. All sign ups (etc.) can be placed in the gym.

SOME THOUGHTS ON CHURCH LOYALTY

Fill your place;
nobody else can.

Always do your best;
sing, pray, and give.

Invoke your neighbor to sing;
two can praise God
better than one.

Think holy things;
your work will go more
easily tomorrow.

Help the weak in faith;
this is the command of
Christ.

Find the discouraged;
he needs you.

Unite in every reasonable
effort; you count one.

Lift up the hands of your
pastor; his helpfulness
will be multiplied.

Next to you may be a
stranger; find him.

Engage in every part of the
service; you will get
more out of it.

Sing in your soul as
vigorously as with your
lips; this is worship.

Smile & you will make
others glad.

Special Benevolence— February

Such assistance might be for those who have suffered from a serious illness, accident or loss from a fire or other family crisis. The minister directs the spending of these funds in consultation with the Consistory. Please consider contributing to this worthy cause for our local church and community.

for they shall see God.”*

Men's Brotherhood—January 24, 2022

The Brotherhood of the California United Church of Christ met on January 24, 2022, at 7:00 p.m. for a regular meeting.

A bountiful supper of chili and hot dogs with fixings and dessert was provided by Lucas Heimericks.

The business meeting was called to order by President Abe Rohrbach. Minutes from the December Christmas caroling were approved as read.

Treasurer Tony Barry reported an offering from the previous meeting of \$205.00, a check of \$500.00 to the Central Missouri Foster Care and Adoption Association with a balance of \$1113.17.

The group was made aware of possible future funding needed by the local Ministerial Alliance, as there have been many requests for assistance recently. The business meeting adjourned.

Pastor Russell Cobb shared a devotion with thoughts from the movie "Saving Private Ryan" and a reading from a Psalm.

California Mayor Rich Green was the program guest. He visited about his early life in Western Kansas where he was reared; the oldest of 6 children in his family. Rich graduated from Kansas State with a degree in geology and spent his career in the oil industry, living primarily in the Dallas area.

He became a resident of California almost by accident, as he and his wife Pam heard of and were attracted by the opportunity to own the Eitzen mansion. For a number of years after moving here, he continued to work, much of the time commuting to Italy.

He discussed the needs of California, including an upgraded sewer system with more capacity, difficulties with getting electrical system equipment and other utility concerns. He said annexations are needed to extend city limits to areas of future growth, etc. He expressed appreciation to the city council for funding recent city employee pay raises, and spoke highly of our city staff. Most work days Mayor Green is in City Hall from 9:00 a.m. until 1:00 p.m. and his office door is open to visitors.

The meeting concluded around 9:00 p.m.
