## Transformation

*“Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God’s will is, his good, pleasing and perfect will.”*  
(Romans 12:2)

We have just completed the graduation season. Congrats to all of our high school and college graduates. It has been 40 years since I graduated from Eldon High School. A lot has changed in those 40 years. Especially my appearance. I weighed 125 pounds and had a full head of hair. I have lived in Moberly, MO, Cincinnati, OH, Portland, IN, Dallas, TX, Columbia, MO, and finally California, MO. My friends have changed over 40 years. My goals and ambitions have changed over the years. One thing that hasn’t changed I hope over the years, is my desire to serve the Lord wherever he sends me and to become more like him as I grow older.

As our graduates go out into the world, they will be faced with lots of choices and options. Paul tells us in Romans 12:2, to choose the harder and more difficult option of serving in his kingdom. To go against what the world says is important and how it says we should live our lives. When we become a Christian, our lives become a constant battle of the mind. Making the thoughts and wishes of God, our thoughts and wishes. Paul tells us that as we transform and renew our minds, we will be able to test and approve what God’s will is for us. That means spending time with God, letting him speak to us, reading his word, letting it impact us and change our lives. To understand someone like my wife, another family member, or a good friend, I have to spend time around them. I learn what is important to them, what they like, how they like to do things, and how I can make them happy. It is the same with God and what he has planned for us. We have to spend quality time with him.

This summer we will go through the book of Romans. It is considered a theological masterpiece by the Apostle Paul. I encourage you to read through Romans this summer. It talks about the transformation necessary to live a life for God. It talks about what is needed to become a Christian and how we are to live our lives in an unchristian world.

I always feel that when the month of June starts, summer has arrived. Vacations, ball games, weddings, family reunions, and swimming start to fill our schedule. Don't forget to watch our online service when you are gone for a weekend. We average 65-75 views each Sunday. It's a great way to stay involved and connected. We will celebrate Father's Day on June 16<sup>th</sup>. Have a great summer and we'll see you in church or online.

Serving Christ Together,  
Russ

**May 13, 2024 – Consistory Meeting Highlights**

Consistory President Alan Chambers called the meeting to order at 6:04 p.m. and Reverend Cobb opened the meeting with prayer.

A quorum was established with Ellen Ash, Carole Barbour, Jay Bestgen, Holly Bieri, Alan Chambers, Jim Deeken, VanDee Miller, and Larry Schoeneberg present.

The Minutes of the April meeting were approved along with the Treasurer's Report presented by Ellen Ash, The Financial Secretary's Report (including the Statement of Financial Position and comparison of income and expenses for 2022-2024) prepared by and presented by Larry Schoeneberg, and the Stewardship Snapshot

Larry noted that a CD from the Undesignated Bequests had matured on May 10, 2024. The monies will be reinvested in another CD for a term of 1 year.

Worship Statistics were reviewed. There has been a slight increase in attendance at Sunday morning worship when comparing the numbers from 2022, 2023, and 2024. Jay Bestgen said that he would be interested in seeing the online statistics for Sunday Morning Service viewing somehow included. That raised the question of how is a "view" defined.

Building Use requests were approved.

**Committee Reports**

**Building and Grounds** - Jay Bestgen and Jim Deeken

Oak and North Street window covers - Imhoff Painting has completed painting around the windows and the covers can be installed as weather allows.

Elevator Valve/Head Space Sign - The valve is being custom made and has been ordered, but there is no definite delivery date. In the final report there was no mention of the sign advising "No Headroom", it did say that a phone is needed in the elevator.

Light Switches in Sound Room off of the Gym--a work in progress

Gas Stove Clips (to keep burners from being turned on by accident) A cover is being made.

Carpet for office-The plan is to move the things out of the office on May 29, paint the office on the 30<sup>th</sup> have the carpet laid on the 31<sup>st</sup>, and move back in on June 1<sup>st</sup>. The smaller office is not yet scheduled. The temporary office will be in the Meeting Room.

Church Mutual--insurance update- A Church Mutual representative toured the facility. There is still no definite word on whether the current coverage is adequate. There was general discussion about deductibles, areas of coverage (wind, fire, earthquake etc.), and what effect if any the new security system and new window coverings could have on the policy premium.

Ceiling lights in the Sanctuary replaced **Done**

Dusk to Dawn Light by backdoor **Done**

New Light Over Beverage Area in Friendship Hall Kitchen **Done**

Shane Baker helped, Invoice coming, Women's Guild will cover the expense.

SWC (new security system)- SWC has provided training on how to use the new system. There is a pre-arranged schedule for when the doors will always be unlocked (Sunday mornings, Wednesday evenings etc.) As part of the testing process, some key fobs are being used now for entry when the doors are locked. If the door is locked, the doorbell may be rung and during office hours, one can be buzzed in. Cameras are currently activated. There will be articles in the Sunday morning Worship bulletin and in the Tidings when all is ready.

Stewardship- Larry Schoeneberg-Meeting scheduled in July

Worship-VanDee Miller-There is one slot to fill for Special Music for summer worship. The UCC Statement of Faith will be used the first Sunday of each quarter in place of the Apostle's Creed.

Pastor/Parish - Larry Schoeneberg- Judy Burger has rejoined the group.

### **Old Business**

### **New Business**

SWC Go Live Date--Distribution of "Key" Fobs- This will happen very soon-see SWC under Building and Grounds

### **Adjournment**

With no other business to come before the Group, by unanimous decision the meeting adjourned at 7:55pm. The meeting ended with the Consistory praying The Lord's Prayer in unison.

## **UPDATE – Building Access & Cameras**

We are nearing the full implementation of the building access and camera project. Currently, we are testing the system and distributing access “fobs” (electronic key) to any member that may want one. Contact the Church office if you want your personal access. This change will provide 24/7 access to the Church through the lower doors at the office by simply “swiping” your “fob” at the scanner and the door will unlock and then lock behind you.

For many of you, there won't be any noticeable change as we will have the lower doors opened for planned activities like Church service, Sunday School, Wednesday night meals, Church programs, weddings and other events. If you don't want or have a “fob” and want in the church during business hours, there will be a “call button” to be let in by the office staff.

We have a Church that is fortunate to be very active, a popular gathering place and provides full-time staff and volunteers to make everything work. The change will provide staff in the building (sometimes only a single person is present) with security in their daily work. Consistory members will have off-site (from their homes) means to check on the church during non-business hours. We will know if doors are or have been left open and we will be able to check on the Church without physically being onsite. We will also be able to verify the students coming and going for Playschool during the school year which is a proactive approach.

We are planning to go live with the system on June 3rd, tentatively. The Consistory thanks you for your support, patience and adapting as we move forward.

## Special Benevolence—June

### ***Buddy Packs***

The special offering for Benevolence for June is Buddy Packs for Moniteau County. You can help children right here in our community who are in need by donating money to purchase food for the program. For many of them, breakfast and lunch at school offer the only source of reliable nutrition and they are at risk of hunger over the weekend. Moniteau Christian Ministries Center partners with the Food Bank for Central and Northeast Missouri to provide Buddy Packs for those students. Buddy Packs are bags filled with kid-friendly, nutritious food that students take home over the weekend or holiday periods to supplement their meals when there is not enough for them to eat at home. The program continues week after week throughout the school year or as needed to keep the growing youngsters happy and healthy. ***Please make your checks payable to United Church of Christ and note Buddy Packs on the memo line. Thank you for your support!***

## California UCC Historical Highlight

As we move into the summer months and the heat that comes with it, we may take the air conditioning systems that we all experience, in our homes and almost everywhere we go, for granted. However, as most folks can remember, there was a time not so long ago when air conditioning was not common and was considered a luxury. In fact, our Church wasn't air conditioned until 1976. In that year, an air conditioning system was installed as a gift to the Church from Mrs. Frank Gerbes in memory of her late husband. Ever since then, we've been enjoying Sunday School and worship in cool comfort even as our Missouri summers sometimes pushes temperatures toward the triple digits.

Brought to you by your California UCC  
Historical Committee

### **The Christian's Creed**

*Let me be a little kinder,  
Let me be a little blinder  
To the faults of those around me;  
Let me praise a little more;  
Let me be, when I am weary,  
Just a little bit more cherry;  
Let me serve a little better  
Those that I am striving for.*

*Let me be a little braver  
When temptation bids me waver;  
Let me strive a little harder  
To be all that I should be.*

*Let me be a little meeker  
With my brother who is weaker;  
Let me think more of my neighbor  
And a little less of me.*

Lauren motioned for the April 2024 approval of the Treasurer's report, Peggy seconded, motioned approved.

### **Old Business:**

Currently there are 8 kids attending Camp Aurora and 1 kid attending Turkey Hill Camp (9 total). Those present agreed that non-Sunday School members, who are interested in going to camp, are welcome to attend church camp at the half-price rate as an outreach opportunity.

Pastor Russ mentioned he reached out to Seth Rohrbach about having Camp Aurora campers to include opportunities to learn scripture during camp by challenging campers to memorize a scripture or books of the Bible. Carla would get Pastor Russ a contact to Evan Barry who is on Camp Aurora board. Carole will begin announcing church camp during services over the next several weeks. Carla announced that she would be helping cook at Jr. camp. She also mentioned that they are needing cooks for camp.

### **New Business:**

Ronda is providing two training sessions the next two Saturdays for those who will be running stations. Ronda will also meet during the week if those times do not work.

Sunday School materials will remain the same for Summer. Courtney and Lauren would like to decrease their orders by two lesson books. Carla will notify Judy Burger. Peggy wishes her class would go to Wesley instead of David C. Cook as she feels it is harder to teach. Steven explained that he thought the Wesley teacher's guidebook made preparing and leading class easy. Austin agreed, explaining that the teacher's guide has help provide a deeper knowledge of the weekly class material.

Steven motioned to adjourn the meeting and Lauren seconded.

Meeting was adjourned at 7:28pm.

Next meeting will be Monday, June 3, 2024, at 7 PM

Respectfully submitted, Austin Chambers, 3<sup>rd</sup> Superintendent

## **UCC Brotherhood Minutes – Monday May 20, 2024**

**Refreshments** – The meeting began at 7:00 p.m. with delicious food and desserts provided by Rob and Maria Barbour.

**Devotion** – Steven Burger gave a devotion based on Titus 2:2, “Teach the older men to be temperate, worthy of respect, self-controlled, and sound in faith, in love and in endurance.” Since some of the Brotherhood group may fit the “older men” category, Steven noted that we could surely benefit from striving to develop the traits mentioned in Paul’s letter to Titus. All good things come from a strong grounding in faith and following Christ’s teachings. As we mature in age, we can leave a legacy of faith for future generations.

**Business Meeting** – Dave Meyer called the business meeting to order with approximately 25 members and guests in attendance. The minutes of the April meeting were approved. The group voted to give a donation of \$400 to the Christian Veterinary Mission Program that presented to the Brotherhood in April. President Dave noted that our next regular meeting on Monday, June 24 will be held in the meeting room at First Christian Church since our Bible School program will be using our facilities that week. Alan Chambers then brought the group up to date with the new church security system. Key fobs are now being distributed to members that will allow entrance to the church and security cameras have been installed in key locations around the building. The system is scheduled to go live in a couple of weeks. Dave mentioned the possibility of another Brotherhood sponsored family night in the fall – will be discussed further in upcoming meetings. Dave Meyer will be in charge of the meal and Larry Rohrbach will prepare a devotion for our June meeting.

**Program** – Dave Meyer introduced Carmen Ferris for the evening’s program. Carmen shared important and interesting things about her life with the group. Carmen was born and reared in Puerto Rico. Puerto Rico had become a part of the United States following the Spanish-American War, so she was born a naturalized citizen of the U.S. Her family lived in a rural area and were farmers, raising sugar cane and livestock. Carmen attended school there through the eighth grade. Her family then moved to a town that had a high school and Carmen graduated there. She went to college in Puerto Rico and completed a B.S. degree in Psychology. She worked in a child care facility for a while. She then moved to Chicago to attend McCormick Seminary. While there she met and became friends with a fellow student, Dick Ferris. She and Dick both graduated from the seminary and launched a life of ministry and social work. They served churches in Savannah and Jamestown, Missouri for a number of years, with Dick being the minister and Carmen supporting his work as well as working in child services employment. While in Missouri, they established a family with four boys, Danny, Paul and Arthur Ferris and Randy Ennis. While serving St. Paul’s church in Jamestown, they bought 10 acres from Chester Marshall and built a house, doing most of the work themselves. They later moved to Ohio and worked several years before retiring. After Dick passed away from health problems, Carmen moved back to California, Missouri in 2020 to a home next to her son, Randy Ennis. She has been a very active member of our church and Sunday School serving in numerous ways.
